Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 06 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with showers on Tuesday.

Today:
A mixture of sunny spells and scattered showers, locally heavy during the morning. Cloud thickening through the afternoon with a showery rain approaching from the northwest. Feeling warm in the sunshine, despite a strong and blustery wind. Maximum temperature 20 deg C (68 deg F).

Tonight:
Generally rather cloudy with outbreaks of showery rain, especially further west. Winds gradually easing throughout the night and remaining mild. Minimum temperature 13 deg C (55 deg F).

Wednesday:
Sunny spells and scattered showers perhaps heavy and thundery for a time in the east. Showers gradually dying out throughout the evening with clear spells to follow overnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Showery on Thursday and Friday with perhaps some heavier downpours in the east on Thursday. A band of heavy rain moves in on Saturday. Warm in any sunshine.
